

PDA'S GOAL - YOUR SUCCESS

We view our relationship with you as a **partnership in success**. We believe our support, products, and services combined with your wisdom and expertise equals one powerful formula for success. Our precisely fitting, finely crafted dental restorations will help you **save time and earn more money**. **PDA will consider matching local fees on products with similar material and fabrication techniques.** Combine all that with our on-time and appliance/restoration guarantees and you get **peace of mind!**

Thank you very much for taking a moment to review our laboratory's products and services. Along with the services listed here, we are also available for **personal case consultations**, staff "lunch & learns" and continuing education classes. We look forward to partnering in your success and supporting your quest to **improve people's lives**.

OTHER INFORMATION

PDA delivers and picks up daily in our local Olympia, Shelton, Centralia areas. We also offer 2nd day and overnight shipping for out of town accounts.

TERMS OF PAYMENT

PDA requires each case be accompanied by a signed lab slip which is to be considered a binding work order agreement and acceptance of terms, **conditions and warranties** found on back of this fee list. Invoices are billed by statement with payment due within 15 days of statement date. 1.5% Service Charge will be billed on all past due balances.

PACIFIC DENTAL ARTS, INC.

OUR BEGINNINGS:

Angie and I started Pacific Dental Arts in 1990 after I served in the USAF as a Dental Lab technician. Prior to that we both worked with my father, Dr. John Tiffany, DDS in his dental office in Spokane. I was his "In-house Tech" and Angie worked the front office; we both learned the rewards and challenges of the dental office and bring that unique perspective to our work each day. **Our goals then and now haven't changed;** provide the best quality care to the patient and assure the dental office runs as smooth as it possibly can. Your office and the patient must come first!

With more than 25 years under our belts, we continue to look for ways to improve, whether it's investing in the highest technology, or improving customer service. Angie and I feel fortunate to be raising our two sons, Conner and Mitch in a community and profession we are all proud of!

OUR PRESENT:

Pacific Dental Arts is a **Full Service, quality-driven Dental Laboratory** that partners **only** with dental offices to provide the best products and services to our clients and their patients. We are not a milling center for other laboratories; our complete, 100% focus is on the doctor, staff, and patient's needs. **Economy or high end products - PDA will provide it.** We welcome anything from the challenge of a **rush case** to a consult for a full mouth reconstruction. Got digital impressions? PDA does and has fabricated thousands of units from 3M, C.O.S., Sirona and Itero. If you have any questions, please ask Greg personally. We believe our combination of the highest technology, nationally certified technicians, warranties on products and **good old-fashioned customer service** will help strengthen your office. Call us today to get started!

PDA MISSION STATEMENT:

To support the dental professional with the best products and services. PDA understands your need for quality, personal attention, quick service, and reasonable prices!

Sincerely - **Greg Wallace, CDT/Owner and Angie Wallace, Office Manager/Owner**

THE BEST IN DENTAL RESTORATIONS - GUARANTEED!

*N/C FOR REMAKE!

If your crown does not fit and we have not communicated an issue the remake is on us! All other warranties see below.

10 YEAR SOLID ZIRCONIA GUARANTEE

5 YEAR PFM, E.MAX, & LAYERED ZIRCONIA WARRANTY

5 YEAR IMPLANT RESTORATION WARRANTY

PDA Implant-based restoration warranty allows you to work with your preferred major implant system utilizing either our exclusive PDA custom abutments or standard industry-supplied abutments. This warranty covers the restoration, abutment, related abutment screws/components and even the implant itself (if crown and abutment supplied by PDA).

2 YEAR DENTURE AND CAST PARTIAL GUARANTEE

Every new full denture or metal frame partial we produce carries a two year warranty. Every immediate denture, flipper, nightguard, flexible, or Essix carries a 6 month warranty.

GUARANTEE TERMS & CONDITIONS

- Charges may apply if there are any changes in design from original prescription. Only one repair or remake per appliance is covered by this warranty.
- Guarantee covers repair or replacement of prostheses only. Cost incurred for removal or reinsertion; incidental or consequential damages (including inconvenience, lost wages or pain and suffering) and cash refunds for completed work are not covered.
